## ABOUT

A Graphic Designer based in Toronto with a strong passion for web development. She combines her design expertise with technical knowledge to create visually compelling and functional digital experiences.

## TECHNICAL SKILLS

- Adobe Creative Cloud
- Photoshop
- Illustrator
- InDesign
- Figma
- Adobe XD
- After Effects
- Premiere Pro
- HTML & CSS
- JavaScript & React
- PHP & Laravel
- WordPress

## EXPERIENCE

### FREELANCE PROJECTS | NOVEMBER 2024 – JANUARY 2025

#### FREELANCE GRAPHIC DESIGNER

- Created custom illustrations and designs using Adobe Illustrator and Photoshop.
- Designed mock-ups and visual assets for branding, packaging, and digital media.
- Communicated with clients to understand project needs and deliver tailored design solutions.
- Ensured all files were well-organized and exported in appropriate formats for both digital and print use.
- Managed multiple projects simultaneously, meeting deadlines and maintaining quality standards.

### McCor | January 2024 – April 2024

#### GRAPHIC DESIGNER INTERN

- Helped modernize pamphlets and brochures, refreshing layouts and visuals to align with current design trends.
- Designed and updated assets for office use and social media, incorporating the organization's 10-year anniversary logo for a cohesive brand presence.
- Ensured all design files were properly organized and exported in the correct formats for print and digital use.
- Conceptualized and proposed product ideas for the organization's 10-year anniversary, contributing to celebratory branding efforts.

### DIGITAL ATTRACTION | SUMMER 2023

#### PRINT PRODUCTION ASSOCIATE

- Worked efficiently under pressure, editing and finalizing images quickly to meet the fast-paced demands of a high-traffic tourist destination.
- Used attention to detail to ensure all image edits met quality standards before sending to print, maintaining a high level of consistency in final products.
- Organized and prepared images for printing, ensuring each was correctly stacked for easy distribution to the sales team.
- Assisted with troubleshooting and resolving any issues with the image processing workflow, ensuring no delays in the production timeline.
- Sold image packages to guests, offering them memorable photo options to capture their experience, and explained the different package plans available.
